

THE LAST ARENA

A mini survival & battle game for 2–6 players

**Outlast the storm.
Master the
battlefield. Be the last
one standing.**

Play time: 20–30 minutes · You need: 1 die (d6), paper and pencil

How to Play

Goal: Be the last survivor in the arena.

Every player starts with:

- ❤️ 10 Health
- 🍷 3 Supplies
- 🎒 1 Starter Item (draw from the Item Cards)

Each round has 4 phases:

1. **Move** – choose a zone on the Battlefield Map
2. **Event** – read the Zone Event and roll the die
3. **Encounter** – if 2+ players share a zone, they fight
4. **Storm** – the arena shrinks and the outer zone closes

You are out when Health reaches 0.

Choose Your Survivor Class

The Hunter

Ranged attacks. +1 to attack rolls when fighting from Forest or Ridge.

The Guardian

Tough and steady. Start with 12 Health but only 2 Supplies.

The Scout

Fast and sneaky. Can move 2 zones per round and may skip one fight per game.

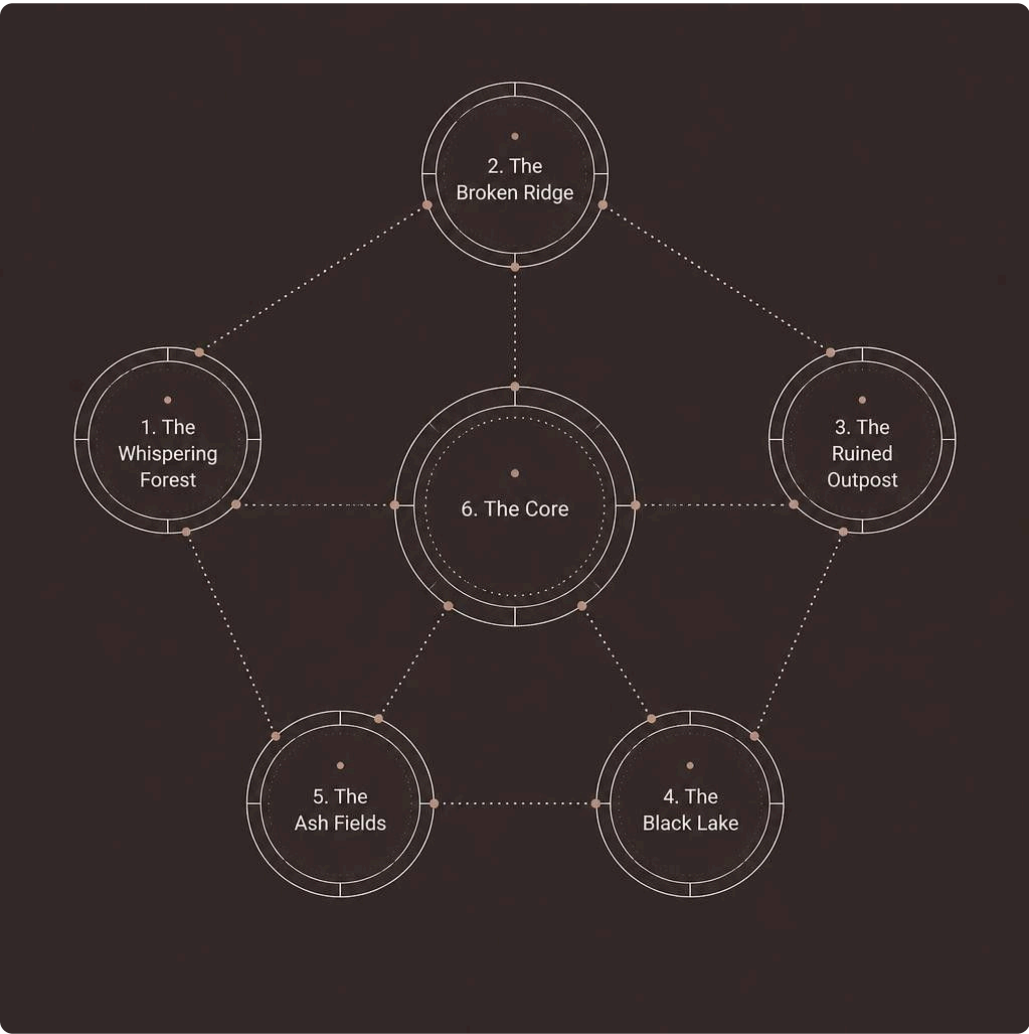

The Forager

Knows the land. Finds +1 Supply from every Zone Event.

Pick a class, give your survivor a name, and write it down.

The Battlefield Map

The arena has 6 zones. Number them 1–6 and move between neighbouring zones.

1. The Whispering Forest

Good cover, plenty of food. *Event: Roll 4+ to find 1 Supply.*

2. The Broken Ridge

High ground. *Event: +1 to your next attack.*

3. The Ruined Outpost

Loot, but noisy. *Event: Draw 1 Item Card, all nearby players hear you.*

4. The Black Lake

Water and danger. *Event: Roll 3+ to drink safely, otherwise lose 1 Health.*

5. The Ash Fields

No cover. *Event: Roll a 1 and lose 2 Health to falling embers.*

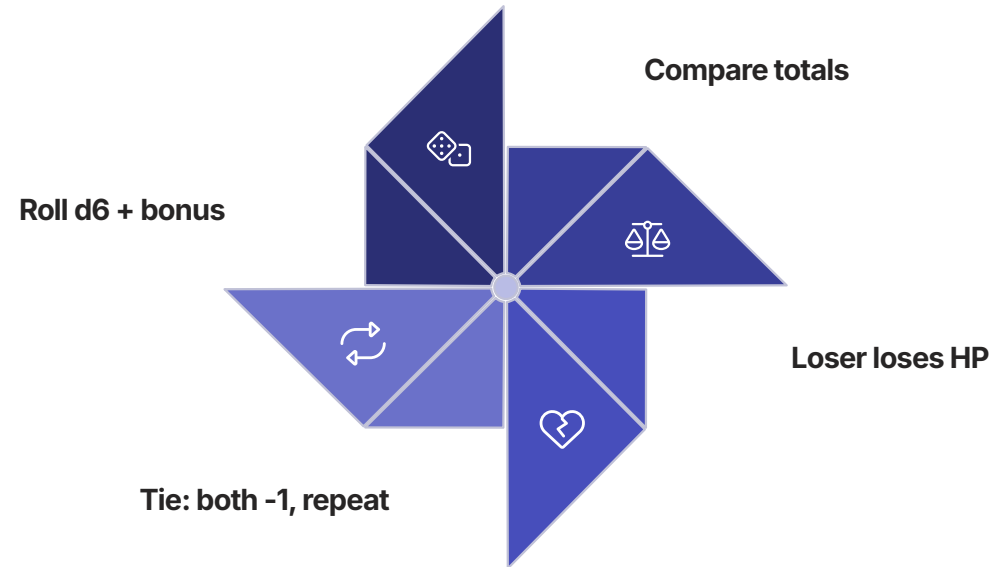

6. The Core (Center)

The best loot, and the most dangerous. *Event: Draw 2 Item Cards, then roll: 1–2 you are ambushed and lose 2 Health.*

Battle Rules

When two or more players end a round in the same zone, they fight.

⚡ Flee

Spend 1 Supply to escape a fight and move to a neighbouring zone.

🤝 Ally

Two players can team up. Add +1 to both rolls, but only one can win the arena.

Survival Rules

Supplies

At the end of each round, spend 1 Supply to stay healthy. No Supplies? Lose 1 Health.

The Storm

After every 2 rounds, close one zone starting from the outer edge (Ash Fields first, then Lake, Ridge, Outpost, Forest). Anyone in a closed zone loses 3 Health and must move.

Final Showdown

When only The Core is left open, all remaining players fight until one stands.

Mini Mission: Round One Challenge

You wake up in the Ash Fields. The horn has sounded. Smoke is rising.

Choose one:

A Run to the Forest

Safe, but lose 1 Supply on the way.

B Search the wreckage

Draw 1 Item Card, but roll a die. On 1–2, you are spotted and lose 2 Health.

C Hide and wait

Skip the first round. Gain +1 Health but the storm closes in.

☐ Roll a d6 to see how the arena responds. On 6, a supply drop lands near you!

1 – Lightning Storm

Everyone in the open (Ridge, Ash Fields) loses 1 Health.
